Vision Casting & Goal Setting Worksheet

Once you have completed the DG McGee presentation on Vision Casting & Goal Setting, please answer the following questions below.

1. What does your dream future look like? Visualize it and record your answer below.

2. Consider what your passions are. What do you love, what is your spark?

3. Consider what your purpose is. Why do you get up in the morning? How can you combine this with your passions to build toward your success?

4. Explain what SMART goals are and why this goal-setting system is effective.

5. Identify some long-term goals for your career/future using the SMART system identified above. Then, break down those goals into smaller steps, so that you can contribute to them each day.

6. What is transformational leadership and why is it so powerful?
